Introduction

The Office of the President and its subordinate units promote higher education and provide leadership to internal and external constituents in achieving the vision and mission of the University.

Summary

Based on various assessments during this reporting period, the University has:

1. Developed and received approval for a new mission and vision statement for the University.
2. A new faculty workload policy has been developed to further this mission and vision.
3. Thirty classrooms were equipped with appropriate technology as part of Phase I of a three year plan to upgrade all classrooms.
4. Redirection of the ORACLE project has resulted in redefined objectives and work is progressing on appropriate steps to achieve effective implementation.
